Shooting at Dawson.
Dave Messer, Marshal of Dawson, shot and badly wounded a little boy named O'Brien last Friday. The shooting was purely accidental. Messer attempted to arrest a negro charged with assault on some little boys playing near by and the negro resisted. Messer then drew his gun and fired at his man, the ball missing his mark and striking the boy in the back, passed half way round, coming out at his side. The wound is a very serious one but not thought to be fatal. Later the negro in the case was arrested and fined for his misconduct.

The "Weed" Remains Firm.
Tobacco this week went off at good round figures, good leaf being very scarce and the medium grades were fully up to last week's quotations. Luzs remain firm and the weed of any character commanded fine prices. About 300 hogsheads were offered and rejection were few. Receipts are very light at this time and will continue to grow less until the crop of '95 is in. There is a large quantity of tobacco remaining in the various warehouses unsold and the prospects are that good sales will continue for some time yet. Since the heavy rains the growing crop has improved materially, but this fact does not seem to affect the market in the least, as the better grades are now commanding better prices than were offered for similar goods early in the season.

Murderer Captured.
Nathan Jackson, col., who slew Jesse Coleman, col., near Paducah, June 20, '91, was arrested in Evansville Tuesday and brought to this city by Mr. R. L. Moore, of Paducah, and an Evansville officer Wednesday and lodged in jail. Jackson was seen by a KENTUCKIAN representative yesterday and gave the following account of how the killing occurred:

"On June 20, '91, my sister and myself, with a number of others started to a dance to be given in the country, but when we got there we found that the dance had been postponed and started for home. While walking down the road Jesse Coleman, who was in the crowd, commenced abusing my sister, cursing her and telling her about in the road. I told him to stop, and he said 'd-d you, make me stop,' and at the same time he put his hand on his hip pocket. Some of the crowd said, 'Look out, he's going to shoot.' I then pulled my pistol out and shot him."

The killing occurred on Saturday night and Jackson went to Evansville the following Sunday night, where he has since been at work. The following September after the killing the grand jury indicted Jackson for wilful murder, but as nothing could be heard of him the bill was laid away. He will be tried at the next term of the court.

A Grand Feature.
Of Hood's Sarsaparilla is that while it purifies the blood and sends it coursing through the veins full of richness and health, it also imparts new life and vigor to every function of the body. Hence the expression so often heard: "Hood's Sarsaparilla made a new person of me." It drives out that tired feeling so common to those who are not taking it.

During the hot weather impurities in the blood may seriously annoy you. Expel them by taking Hood's Sarsaparilla, the great blood purifier.

BASE BALL.

Clarksville was defeated twice in one day by the Union City nine on the latter's grounds Saturday. The score was 3 to 2 in a five inning game, and 5 to 4 at the end of the fifth inning of the second game, rain having prevented a full game. The two clubs will play another game at an early date to decide which club is victorious in the series.

The local nine was an easy winner Tuesday in the game with the Henderson Athletics, the visitors only scoring three runs, to thirteen for Hopkinsville. From start to finish the Henderson boys were out-played and in the third inning Stultz centered the plate several times to revive their drooping spirits, and they took advantage of three runs. After this goose eggs were again theirs, our home nine all the time piling up runs. The Henderson boys are good ball players and enjoy handling the ball, win or lose. On Wednesday another game was played between the aines which was interesting throughout, although the visitors were victorious by a score of 10 to 7. This made a tie, and the deciding game was played yesterday afternoon, but our forms closed before the game was finished.

Mr. and Mrs. Frank Trice entertain.
Mr. and Mrs. Frank Trice, of Paducah, entertained a coterie of their friends last Tuesday night complementary to the visiting young ladies. Among the participants were Miss Jennie Peay, of Henderson, Miss Maggie Settle and O'Brien, of Clarksville, Misses Pearl and Eloise Rawlin, of Jackson, Tenn., Misses Jones, of Elmo, Miss Ella Willis, of Fairview, Misses Maggie Wilson and Mary Lowry, of Paducah, Misses Maggie and Lizzie Gorman and Mattie Over-shiner, of Hopkinsville, Misses Camie and Mabel Lloyd, Laura Bragg, Lillie Bronaugh, Lizzie and Thess Cannon of Paducah, Messrs Tom Rawlin, Clarksville, Nick Dickens, Fairview, S. Badger, Lesly Guthrie, Will Nourse and George Hall, Hopkinsville, Claude and Luther Lowry, Will Peck, Ed and Guy Wilson, John Pendleton, Walter Wood, Dr. Lacker, Will Garnett, Daisy Murphy, Robert Lloyd, Tom Cannon, Harry Bollinger, Charles Russell, Jim Osburn, Will Walker, Herbert Trice, of Paducah, Mr. and Mrs. Wilson, Mr. and Mrs. Herbert Trice, Mr. and Mrs. Lowry, Mrs. Bragg, Mr. Lowry and Mr. Osburn. After a late hour the gay assembly dispersed very reluctantly, but not until they had bestowed many thanks upon their hosts and hostesses with the hopes that the lives of the young couple will always be as bright as that evening.

Col. Geo. W. Bain, of Lexington is one of the best known temperance lecturers on the platform. On Sept. 10th and 11th he will deliver two lectures in this city, under the auspices of the W. C. T. U. The first will be a free temperance address and on the 11th he will lecture on "Among The Masses," for which a charge of 40 cents will be made. Col. Bain comes with the highest commendations from the press and public. The Des Moines Leader says: "When Col. George W. Bain, the 'Silver Tongued' orator of Kentucky, comes to Des Moines again he will have need of engaging a more spacious auditorium than that of the Y. M. C. A. He is one of the ablest lecturers that has appeared in Des Moines." The Sedalia, Mo. Bazaar says: "Colonel Bain deserves all the thousands of good and bright things that have been said and written of him. He is a master of pathos, humor and word picturing."

Howard Smith, who has been confined in jail for several weeks on a charge of grand larceny, gave bond in the sum of \$100 a few days ago and was released. Mr. W. J. Withers came his bondsman and Mr. W. S. Withers has been retained to defend him.

The Little River and Cumberland Valley Association of Colored Baptists met in this city yesterday with over 100 delegates present. There are about 35 or 40 churches in the Association, most of which are represented. Rev. W. T. Silvey is Moderator and Rev. W. H. McElroy clerk. It will remain in session until Sunday.
